Testimonials

“Garrison had our group engaged from the kickoff of our meeting! Garrison launched our annual business meeting with a bang! He incorporated our "Game On" football theme perfectly and researched our industry to come up with some innovative ideas on how to bring timely data to his presentation. Not only was he extremely entertaining, but he hit every key message we discussed during our introductory call. And as many of our publishers told me after his session "That was a home run!" Even though our theme was football. ;-) Garrison connected with the group and understood the difficulties and challenges our publishers deal with on a daily basis. Garrison's sense of humor played such a crucial role to kickoff the conference on a positive note. We tried to make the conference motivational, educational and of course fun! Garrison exceeded our expectations and was a highlight of our annual business conference. Thanks again Garrison!"

“He was fantastic! Perfect choice for day 3. Very funny, very energetic delivery and some great messages. Got great feedback about him from franchisees. We not only went 3 for 3 but I'd say they were all home runs! Thanks for your help on the speakers. It was a key and very positive component of our convention!"
