

Nick Arnette is more than just a funny speaker

Nick's programs transform and energize audiences with both motivation and humor! With Nick, you get a lot of laughs along with relevant, practical content. His most requested talk is, Me, We, and Glee: How to have a great attitude, work as a team, and keep your sense of humor. It encompasses maintaining a positive outlook during these changing times, defining teamwork and enhancing humor both at work and at home. He's even has a written a book that goes along with the talk.

Nick has performed for hundreds of groups...

...including AT&T, Unilever, Microsoft, Adobe, and Motorola. He has worked with such comedy greats as Jay Leno and Jerry Seinfeld, and has performed in all the top comedy clubs, such as the Improv, Catch a Rising Star and the Comedy Store. His TV appearances include A&E, Comedy Central and HBO. Nick Arnette also has a background that includes sales, the hospitality industry, education, and award winning work in mortgage banking. All this experience means you'll get a performer who is an expert at entertaining your group and who can relate to people's work environments! Nick is perfect for any group that wants to laugh, feel good about life, and leave with some practical advice they can put to use right away. Wouldn't you prefer entertainment that gives you something to feel good about.

Known for his clean and clever material

Nick's comic style is friendly and light-hearted. Nick will not only make you and your people laugh, he will befriend and encourage them. Nick can help your group see the lighter side of their problems with his clever stand-up comedy and original brand of good, clean fun! Your groups will appreciate Nick's depth and identify with his observa...
