

Seen on HBO, COMEDY CENTRAL, FOX and a Regular on the nationally-syndicated BOB AND TOM SHOW (with over 250 appearances). Recently released, **Dave Dugan's** new comedy special " HUMAN CANNONBALL " is now featured on Dry Bar Comedy---the very popular comedy streaming site for CLEAN comedians!

"Clean humor with imaginative angles. A very engaging comedian who is also extremely quick on his feet!" The Los Angeles Times

Jim and Martha Dugan's boy- Dave- was born to be a comedian. A one-of-a-kind delivery accompanied by impeccable timing and imaginative comedy angles has led **DAVE DUGAN** down the path to NATIONAL TV APPEARANCES and to RAVE REVIEWS from corporate event planners.

"Dave made me look good" is a common testimonial heard from planners who have trusted this highly-sought after comedian to engage their audiences, "and he is so easy to work with!"

And TV appearances that go beyond multiple appearances on Comedy Central and HBO? Back when he shaved every two weeks whether he needed it or not, a young Dave headed to Los Angeles from Indiana and within a few months got his first break from the legendary DICK CLARK. Clark included the new Californian on one of his many nighttime music-driven shows on ABC. That led to multiple appearances on the then ratings-leading ARSENIO HALL SHOW and Dave instantly became a favorite at the World Famous COMEDY STORE IN HOLLYWOOD, a regular writer and contributor on the most popular morning radio show in the country (BOB AND TOM) and can be heard regularly on SIRIUS RADIO. Headlining at theaters and clubs all over the country, Dugan has made a lasting impression with his one-of-a-kind dry, everyman style.

It's the same natural style that led him to comedy in the fir...

## Testimonials

"Dave was very, very entertaining as our keynote speaker. But first, we had him improvise as an imposter and he did an amazing job! Using our industry language made it genuine, real and over the top hilarious! I received accolades that it was the best sales conference that we've ever had and I believe Dave was a big part of that. We look forward to having Dave return to a future event!"
