

Donna Fenn is the author of *Upstarts: How GenY Entrepreneurs are Rocking the World of Business and 8 Ways You Can Profit From Their Success* (McGraw-Hill, Sept. 2009). *Upstarts!* deconstructs the DNA of a new generation of young entrepreneurs, analyzes their success strategies, and provides an important glimpse into the entrepreneurial landscape of the future. Fenn also wrote *Alpha Dogs: How Your Small Business Can Become A Leader of the Pack* (Collins, 2005). *Alpha Dogs* profiles eight extraordinarily successful small companies in very ordinary industries to illustrate how business success isn't about what you do but how you do it.
