

For over 30-years, **DAVID SARKUS, MS, CSP** has moved and motivated thousands of workers to become safer, healthier, and more productive. As a safety professional, he has won several honors, including a Best Practices Award for TRW Inc. and he has been named by *Industrial Safety & Hygiene News (ISHN)* as a *Top 50 EHS Professional*. David has written more than 100 articles and is a frequent contributor and featured author for publications such as *ISHN* and *Professional Safety*. His first of five books, *The Safety Coach®: Unleash the 7C's for World Class Safety Performance!* is a best seller. This book also serves as the foundation for Coastal's top selling video: *Safety Coach* - which features Bobby Bowden, head football coach of the Florida State Seminoles, two-time national champion and college football's all-time win leader.

David's coaching and consulting work is endorsed by some of most respected professionals in the field of safety. As a speaker, David's skills are applauded by the same quality and level of professionals.

David Sarkus provides a high-content performance sprinkled with humor and impactful storytelling. He relates effectively with men and women from all walks – from senior management to shop floor workers. As an author, speaker, consultant, and executive coach, David's clients include some of the biggest and best run organizations in the world: Chevron-Texaco, DuPont, ExxonMobil, General Electric, H.J. Heinz, Pfizer, and Shell - to name only a few.

As a skilled professional speaker, David brings people together in ways that promote improved teamwork and positive changes in personal commitment. As a Certified Safety Professional (CSP) with advanced degrees in both safet...

## Testimonials

“David Sarkus was great. Excellent storyteller & message, related to the audience and is a genuinely nice guy. I received many positive comments from the audience and even had a text from an attendee who was excited when she realized she was on the same flight out of Raleigh as David. Do not hesitate to recommend David for future clients and thanks for all your efforts helping us select David and coordinating his participation.”

- Vice President, CBRE.
