

PETER MERRILL is one of the much sought after KEYNOTE SPEAKERS ON INNOVATION for Conventions, Business Conferences and Company Management Meetings. Peter has spoken on Innovation to Conferences from 200 to 2000 people across North America, Europe and Asia. Peter's latest book 'Innovation Generation' shows how to develop a Company's Innovation Culture and Innovation Process.

Peter Merrill will engage your audience with his energy and enthusiasm. He is a practical person and presents complex matters in simple terms. Peter has been Chief Executive of a leading European Brand and is not a 'theorist' but makes things happen. You will experience his passion for 'People Involvement'. He is leading the ISO Working Group developing the new guideline standard on 'People Involvement'.

Testimonials

I completed the self assessment on Peter's website and found it very interesting.

- Angela McCauley.

I have seen Peter Merrill speaking at a conference recently and really enjoyed his presentation. I picked up a copy of his recent book, Innovation Generation and found it very useful.
