

Mike Walsh is the CEO of Tomorrow, a global consultancy on designing companies for the 21st century. For the past twenty years, he has been a leading authority on disruptive innovation, digital transformation and new ways of thinking. A global nomad from a diverse ethnic background, futurist and author of three bestselling books, Mike advises some of the world's biggest organizations on reinvention and change in this new era of machine intelligence.

A specialist in AI-powered transformation, Mike's work and research was recently profiled by the Rotman School of Management. His talent is being able to bridge the two worlds of disruptive technology and business leadership, translating deep tech into pragmatic recommendations for leaders to seize new opportunities, transform their organizations, and change their own thinking.

Mike is a prolific researcher who interviews innovators, scientists, entrepreneurs and corporate revolutionaries every year. Many of these conversations feature in his popular podcast, Between Worlds. A skilled facilitator, he excels at fireside chats with CEOs, customers and other thought leaders. He brings this consultative approach to personalizing insights and recommendations for his audiences, specializing in identifying 'mind grenades' or provocative questions that will challenge your team and stretch their thinking.

A prolific writer and commentator, Mike's views have appeared in a wide range of international publications including Inc. Magazine, BusinessWeek, Forbes and the Wall Street Journal. Recently, LinkedIn invited Mike to publish his weekly newsletter Tomorrowist about next generation leadership. A regular contributor to the Harvard Business Review, his articles explore a wide range of c...

Testimonials

"Very insightful. Loved the discussion of the future of mobile, integration of social media and the need to identify how to best use the telemetry from this to drive sales and customer satisfaction."

- National Account Manager, Verizon Wireless.

"Amazing! Mike made me think about how we can look at service to our business differently. I just emailed our CIO with some ideas and he got right back to me and said 'DO IT!'"

- Director of IT Service Management, AmerisourceBergen.
