- Mentor to select entrepreneurial, high-growth CEOs and their teams working globally -- in over 30 countries.

Throughout his career, Cameron Herold has been instrumental in the successful sale, branding, and integration of a remarkable 500 business locations with three major companies. He may be best known as a driving force behind 1-800-GOT-JUNK?'s spectacular growth from \$2 Million to \$106 Million in revenue in just six years. But this dynamic leader has been an entrepreneurial innovator since launching his first company at the age of 21.

His wide range of executive roles has given him expertise across all aspects of business, from strategic planning, operations, people, sales, marketing, call centers, and PR. Combined with hands-on experience negotiating corporate acquisitions and developing numerous strategic partnerships, there are few real-world business challenges he hasn't faced.
