

Brad Szollose is a TEDX Speaker, Web pioneer and globally recognized Management Consultant and the foremost authority on Millennials and Cross-Generational Leadership Development Strategies.

Author of the *award-winning, bestseller *Liquid Leadership: From Woodstock to Wikipedia*, Brad is a former C-level executive of a publicly traded company that he co-founded that went from entrepreneurial start-up to IPO in three years; the first Dot Com Agency to go public on NASDAQ. His company K2 Design, experienced 425% hyper-growth, due in part to a unique management style that won his company the Arthur Andersen NY Enterprise Award for Best Practices in Fostering Innovation.

Today the world's leading business publications seek out Brad's insights on Millennials, and he has been featured in *Forbes*, *The Huffington Post*, *New York Magazine*, *Inc.*, *Advertising Age*, *The International Business Times*, and *The Hindu BusinessLine* to name a few, along with television, radio and podcast appearances on CBS and other media outlets.

Brad's programs have transformed a new generation of business leaders, helping them maximize their corporate culture, expectations, productivity, and sales growth in The Information Age.

* 2011 Axiom Business Book silver medal winner in the leadership

* #1 Amazon Best-Selling Author
