

Brian Moran has over thirty years of expertise as a CEO, corporate executive, entrepreneur, consultant and coach. His background as a corporate executive combined with his experience as an entrepreneur positions him with a unique skill set to help individuals and organizations grow and prosper.

Brian's corporate experience includes management and executive positions with UPS, PepsiCo, and Northern Automotive. As an entrepreneur he has personally launched and led successful businesses and been instrumental in the success of many others. In addition, he has consulted for dozens of world-class companies including Coldwell Banker, Mass Mutual, Medtronic, New York Life, and Tiffany & Co.

Brian Moran is a recognized expert in the field of leadership and execution. His realization that most people don't lack ideas but struggle with effective implementation led him to the development of The 12 Week Year. In addition to his books, Brian has been published in many of the leading business journals and magazines. He is a sought after speaker, educating and inspiring thousands each year.

He is a visionary with a passion for helping others go beyond what they think they are capable of and achieve more than they ever thought possible. His greatest strength might be his ability to take success principles and strategies and help others apply them in a way that is powerful and effective, and gets results.
