

Born in England of East Indian parents, **Susie Coelho** studied in Paris and at American University in Washington, D.C. After moving to New York, she became a top fashion model, then an entertainment reporter and actress. Passionate about gardening and domestic design, Coelho is hard at work on new projects for print and television.

Following up her first book, Susie Coelho's *Everyday Styling: Easy Tips for Home, Garden and Entertaining*, is her second book, *Susie Coelho's Styling for Entertaining*, which focuses on ways to create the perfect party setting. Coelho hosted her hit primetime series, *Surprise Gardener*, for five years on HGTV and is now hosting the network's new outdoor style show, *Outer Spaces*. Susie lives in Los Angeles with her husband Bobby, son Hutton and daughter Hailey Dior. Susie stays in touch with her viewers and readers as she visits cities all over the country speaking at numerous events and shows.

Her inspirational, motivational and interactive talks have made her a favorite at home and garden shows, women's events, and retail and corporate events. She has the unique ability to communicate her message on style and design in a way that instills confidence in her audience.

Whether your needs and interests are backyard makeovers, entertaining how-to's, how to be more creative, how to start a business, how to find that entrepreneur in you, or balancing work and home with style - Susie can deliver, at all levels. 901-754-9404.
