

Michael Port has written five bestselling books including *Book Yourself Solid*, *Beyond Booked Solid*, *The Contrarian Effect*, the New York Times Bestseller, *The Think Big Manifesto*, and, most recently, *Book Yourself Solid ILLUSTRATED*, an innovative and completely visual version of his seminal work, *Book Yourself Solid*. *The Boston Globe* called him, “An uncommonly honest author.” *The Wall Street Journal* called him a, “Marketing guru.” *Canada’s Globe and Mail* said, “The world needs more Michael Port.” He admits, as much as he focuses on results for the people he serves, rather than approval, this kind of recognition is really cool for a guy who was a C+ student in high school. He’s thankful to receive it. He’s blogged for the *Huffington Post* and has written monthly columns on sales and marketing for *Entrepreneur Magazine* and *American Express Open Forum*. He is a regular guest on MSNBC and has been on PBS multiples times along with CNBC. He runs the Book Yourself Solid Mentoring Program serving business owners from all over the world and The Book Yourself Solid School of Training, which certifies consultants in the Book Yourself Solid methodology. Currently, he is developing marketing and productivity software programs based on the ideas and strategies in his books. He didn’t start out as an author, speaker, and entrepreneur. He began as an actor. No kidding. You might have been able to pick him out of a crowd from his starring and supporting roles in TV and film projects like *Sex and the City*, *Third Watch*, *All My Children*, *Guiding Light*, *Central Park West*, *100 Centre Street*, *The Pelican Brief*, *Down to Earth*, *Last Call*, *The Bel...*

Testimonials

If you want to truly TRANSFORM the way you present and perform on stage, then you must attend learn The Michael Port Method. I’ve been fortunate enough to attend three of these event experiences, and they have been incredible. It’s really amazing to watch an average speaker become a powerful speaker right before your eyes. Michael works intensely (but lovingly) with each speaker bringing out the absolute best in them. It’s something you have to experience first-hand to believe. Whether you aspire to speak on stage or on video, this is a great investment in your future.

It just became overwhelming to realize that I actually may have the possibility - maybe even a responsibility - to help people on a bigger scale. It was so overwhelming! Your Mom and Dad were sitting in front of me and I leaned forward with tears in my eyes and said “You must be so proud of your son. He has changed my life today”. It was such a moment of completeness. A moment of clarity that I was, at that exact moment, right where I should be.
