Testimonials

Kelly Swanson was a huge hit as the keynote speaker in our 2019 conference line-up – over 30 in all. Kelly has the perfect blend of talent, energy, insight and humor to inspire audiences. Her message of the power of storytelling is desperately needed in our field (government IT officials). I appreciated that Kelly adapted her presentation to include extra audience interaction, which required a great deal of improvisation to engage our attendees and deepen understanding. She excelled! Kelly is a complete professional in every way. My team loves working with her and she is now a lifelong friend. I highly recommend Kelly without hesitation for any type of event in which you want your audience to be motivated, educated, enlightened and entertained. - Senior Vice President - Events, e.Republic
