Testimonials

“Brian’s keynote was rated in the top and the feedback fantastic! The collaboration with Brian has been outstanding - and he really lives his #Thinklikeafan philosophy- especially when he took his time to talk and engage with the participants at the conference all day long, evening and even night. Both before and after the event, Brian has been very flexible regarding customer sessions and meeting the press. I hope to be able to work with Brian again in the future. My highest recommendation”

“Working with Brian was such a breath of fresh air! I have worked with countless keynote speakers who stress how big and important they are, presenting ego first instead of showing interest in our event. Brian wanted to learn everything he could about our event to ensure we were a match, and then he customized his content to ensure it was the right fit for our niche audience. We can’t wait to work with him again!”
