

Named by Fortune Magazine as one of the Top 50 World's Greatest Leaders, a recipient of the Muhammad Ali Humanitarian of the Year Award and listed as one of the world's most influential creative people by The Creativity 50's, **Mick Ebeling** is a maker, hacker and inventor who has sparked a movement of pragmatic, inspirational innovation. As a career producer and filmmaker and now founder and CEO of Not Impossible, Ebeling consistently speaks to companies and audiences all over the world inspiring them to change their world, and the world. Ebeling founded Not Impossible, a multiple award-winning social innovation lab and production company, on the premise that nothing is impossible. His mantra of "Commit, Then Figure it out" allows him to convene a brilliant team of hackers, doers, makers, and thinkers to create inventions and creations that better the world by bringing accessibility for all. Called the "Elon Musk of Good," Ebeling is only person to ever be honored 2x as a TIME Magazine Top Invention of the Year recipient, a 2x Tribeca Disruptor innovation winner, a 2x SXSW innovation of the year award winner, as a WIRED Agent of Change, a fellow with The Nantucket Project, and a recipient of every major creative and advertising award, Ebeling is on a mission to change the world by creating "Technology for the Sake of Humanity."

Testimonials

□ Mick is among the very best speakers we have seen live or via video. His message, delivery and authenticity hook you in, hold you there and leave you inspired to achieve what you thought was impossible! □

- Co-Chair, Global Harvard Business School PLD Summit.

□ "Mick Ebeling is "inspiring", "life-changing", "the real deal". He had 400 attendees hanging on his every word, captivated by his raw passion and drive to change the world, one feat at a time. If you are looking for a speaker who will elevate your meeting to the next level, he is the man for you." □

- Director, Education, Consumer Healthcare Products Association.
