

Celebrated keynoter, facilitator, author and ICF-certified workplace productivity and business leader coach, **Marsha Egan** is devoted to energizing people to make the best use of their time so that they can lead their lives and achieve great stuff. Focused on enabling growth through people, she applies her experience and skills to helping her clients achieve their personal, professional, and organizational goals. She's CEO of the professional coaching firm, The Egan Group, Inc, which she started. An ATHENA Foundation Award recipient, one of PA's 50 Best Women in Business, and 25-yr. veteran of corporate & volunteer America, Ms. Egan intuitively reinvents leadership, by igniting leaders and entrepreneurs with positive change and innovation, all devoted to enhancing their productivity, progress and prosperity.

Testimonials

"Marsha, I wanted to tell you how much we all enjoyed your Keynote Address yesterday, and the "SPARK" you added to our event. It's about time we infused some FUN into our meetings and events."

- Dean Palmer, Orange County, CA.

Marsha, I thoroughly enjoyed the presentation also. You were given the worst time slot -- immediately following lunch -- and you were by far the highest rated presenter for the day. Thank you.

- Manager UGI Utilities, Inc..
