Jackie is dedicated to helping leaders create BEST places where the BEST people can do their BEST work to make the world BETTER. According to a national survey, Jackie is recognized as one of the "Top 30 Best Minds on Leadership" and is one of the most sought-after female business speakers in the nation.

The Challenge: The world has changed! Work and Life are blurred and blended, virtual, on site and hybrid. We're all in search of new ways to stay courageous, engaged, connected and productive in a changed world. Learning how to lead and navigate in the midst of ongoing uncertainty is critical to the survival and success of your businesses.

Solution: Now is the time to double down on up-skilling, growing leadership and driving high performance, whether you do it virtually or in person. For over 30 years, Jackie has been helping people become more **courageous leaders** who accelerate performance & advance innovation, embrace uncertainty and drive change.

When you book Jackie, your speech will be tailor-made. She will work closely with you to thread your objectives into her message and co-create a keynote that has ROI and lasting impact.

Takeaways: In-person and virtual seminars and workshops give people the courage, reassurance and skills they need to nimbly adapt to changing conditions, to model and build resilience and to rise strong together.

In addition to speaking, Jackie is an international bestselling author, business owner, entrepreneur, and a leadership and culture consultant to various executive teams nationwide. She teaches graduate classes part-time at the University of San Diego, School of Leadership & Education Sciences and she also writes and speaks o...
