

After years of dysfunctional relationships, addictions & defeated living Tracy discovered her identity in Christ.

"I could never break free from my behaviors or my emotions. By the time I was 30 years of age I had divorced twice, was a single mother of 3 beautiful boys but lost in a lifestyle of addiction and a host of unhealthy relationships. I was broken and lost. I was living a lifestyle of defeat that I so desperately wanted to escape. I tried everything, it seemed, to turn my life around and change. Nothing seemed to work. Change started to seem impossible for me and I started to lose hope."

The Victorious Life- One day, Tracy's life changed dramatically. She finally surrendered to help and to Jesus Christ, the Savior, the Healer and the Lord over her life. "I was clean and sober for a year but did not know Jesus. I was tormented by my emotions, thoughts, desires, and circumstances. I was on my way back in to that horrible life. A Christian woman invited me to a prayer meeting and introduced me to Jesus. From that day forward I began to grow and to heal. My soul had been saved, my addictions conquered, my emotions tamed and my mind trained to be a power house of successful and prosperous thoughts." It did not happen over-night and it was not easy to change; but my life has been transformed by surrendering my entire being over to Christ and living my life according to the Word of God (the Bible)."
