

John Sitolides, a Washington D.C. government affairs specialist and consultant to the Department of State, shares his insights into U.S. and global geopolitical trends, developments and strategies before high-stakes decision makers and opinion leaders at investor, business and government conferences, forums and events. He explores the complex geopolitical decisions that impact markets in Europe, Asia and the Middle East, helping investors and business audiences understand and mitigate against risk and disruption.

Sitolides chairs the State Department's Advanced Area Studies Program for Greece & Cyprus, in conjunction with the Turkey program (under U.S. government contract since 2006), at the Foreign Service Institute, the primary training institution for American diplomats and other professionals of the U.S. foreign affairs community. He previously served as Board Chairman of the Woodrow Wilson Center Southeast Europe Project from 2005-2011.

As Principal at Trilogy Advisors LLC since 2005, Sitolides manages a government affairs portfolio specializing in environmental regulatory reform. He has testified before Congress, and conducted scores of interviews on American politics, federal policies, national security and global affairs by broadcast, print and digital media - including Fox News, CNN, CNN International, One America News and BBC News - and been cited in the *Wall Street Journal*, *New York Times*, *Washington Post*, *Washington Times*, *Bloomberg News*, *Politico*, *National Public Radio*, *Institutional Investor*, among other leading broadcast, print and digital media.

Sitolides served as Executive Director of the Western Policy Center, an international relations institute researching and forecasting U.S., NATO & EU political...

Testimonials

“An extremely well informed, knowledgeable and flexible speaker, who presented an excellent, well-rounded overview of U.S. foreign policy. He analyzed the domestic and international factors that influence foreign policy formulation and explained the Washington perspective on the most important international issues that cause instability in different parts of the world.”

- U.S. Embassy (Nicosia):.

“Very much enjoyed your presentation - excellent poise, diction, delivery, substance, coordinated use of effective visuals, and audience connection - exemplary!”

- President, Bird Capital Group.
