

Luria Petrucci helps business owners, entrepreneurs and marketers 10x their engagement, and turn that engagement into sales using regular YouTube and Facebook LIVE content. She's created 3500 videos with 1 Billion views using video and live streaming shows.

She's a pioneer in the podcasting and live streaming world. Since 2005, she's grown an audience of 2 million social media followers, and has produced and hosted video & live streams for her own community (Geeks Life), Samsung, Panasonic, AT&T, OnStar, DISH Network, Verizon FiOS, Monster Cable, Bausch + Lomb, and BBC Click. She and her partner, David, are the creators of the 1st Facebook LIVE Daily show.

Pushing the boundaries of what Facebook LIVE is and can be, they and their guests offer actionable tips to the audience in a fun & interactive show, and can be seen at GeeksUniversity.com.
