

Author of *Be The Brand*, and her latest best seller from Career Press, *Your Ultimate Success Plan*, **Tamara Jacobs** is a frequent guest on high-profile television and radio programs, quoted in the NY Times, featured contributor to the Huffington Post, former judge for the Miss America Pageant and a member of the Women's Leadership Board, Kennedy School of Government, Harvard University--clearly Tamara covers a lot of ground!

A passionate trailblazer, Ms. Jacobs uses the inspiring and instructive insights she gained while pursuing her unique career path as a professional actress, television journalist, rising corporate star at Johnson & Johnson and successful entrepreneur; creating and sharing concepts that are instantly applicable. Invariably, the benefits derived from these high-energy keynotes are leveraged and shared with the rest of the organization, elevating performance at all levels. A summa cum laude graduate of the University of Michigan, Tamara is the proud mother of professional actress, Avery Bryce, and resides in Princeton, NJ with her husband, David, along with their three rescue Pekingese: Hoppi, Charlie and Chi Chi.

## Testimonials

Your relentless pursuit of excellence always ensures success. You are the best!!!

- Past President, Novartis Pharmaceuticals Corporation and US Country Head.

Tamara is focused, driven and committed to the improvement and success of others. Having worked with her on key projects over 10 years has advanced the skill set of many. Each encounter is tailored and success is measured by the application of learning to advance a desired outcome. Tamara is "world class" and has helped develop a plan and provided the coaching and learning for those to execute that goal."

- Senior Vice President of Sales, **totes>>ISOTONER**.
