## Testimonials

"Mike Evans came to present to our entire management team at our annual managers retreat. After a successful yet stressful fiscal year, this accountability presentation was exactly what our management team needed in order to go into the new fiscal year feeling rejuvenated. The presentation was insightful, thought invoking, entertaining and very engaging. He shared with our management team several best practices needed in order for us to cultivate a peak performing culture at all levels of our organization. The information that Mike had to share was relevant to all departments from sales to customer service to accounting to operations. It would have been difficult for anybody to leave the meeting not feeling inspired, refreshed and reenergized to get back to managing their team."

Super job on your Keynote Talk "Disruption - Excel and thrive in the New World of Work". As the Conference Planning Chair and a Member of the Board of Directors of the Electrical Generating Systems Association (EGSA), I can tell you that you were one of the best and most dynamic keynote speakers we have ever had. The Speaker Evaluations were reviewed and to my knowledge, we have never had a speaker get a 100% score, until your talk - all "6 out of 6" on the ratings. Very relevant topics kept the audience talking about "disruption", in the hallways, exhibit halls and reception.
