

Dr. Josh Luke is a best-selling author, hospital CEO, [healthcare futurist](#), thought-leader and international motivational speaker. He is an experienced hospital CEO, health system Vice President and nursing home administrator. He is regarded as a "futurist" on the Affordable Care Act and how it will shape the continuum of care and has been described as an innovator, forward-thinking and a strategist on teaching ACO's, BPIP's, acute hospitals and post-acute leaders how to position themselves for revenue growth in a post-ACA model.

He currently serves as Chief Strategy Officer for Nelson Hardiman Healthcare Law and its subsidiary consulting firm, Compliagent. Having uniquely held executive positions in both acute and post-acute settings, Dr. Luke was selected to author the book *Readmission Prevention: Solutions Across the Provider Continuum* published by the American College of Healthcare Executives, the best-selling book from Health Administration Press in 2015. In 2016, Xlibris publishing released Luke's first book written for the mainstream public, *Ex-Acute: A former hospital CEO tells all on what's wrong with American healthcare, What every American needs to know*. In 2016 Luke is conducting an international book promotion tour. In 2013, Luke was named Vice President of Post Acute Services for Torrance Memorial Health System. In that role he designed a population management strategy (Total Wellness Torrance), working with the ACO, Bundled Payment & IPA teams. TWT and its Post Acute Network received the 2013 Excellence in Programming award from CAHF.

Testimonials

Josh's presentation gives every hospital CEO reason to pause and consider if there are opportunities to generate revenue in the post acute space in their own market. I am intrigued with Josh's presentation related to revenue stream generation.

When I was in search of an outstanding speaker on Population Management for our Healthcare Round Table, I asked the Regional Administrator for the Center for Medicare and Medicaid Services for his recommendation. And he said, "Call Josh Luke. He's the best speaker out there teaching people how to prepare for the changes ahead."
