## Testimonials

▮ I attended SGA's Executive Leadership Forum in Chicago. Best -of-class materials, in-depth insights, provocative dialogue; sure that was all there. What resonates most with me is that Stedman skillfully challenged a very accomplished gathering to deal with their history and habits. It was a cathartic experience that suggested that a deeper understanding of who you are provides a roadmap for the next steps in your journey. ▮

▮ Stedman Graham is one of today's leading authorities on emotional intelligence. His training seminars are highly effective because they make you focus on maximizing the true leader within yourself. ▮
