## Testimonials

“ This year I have attended three state dental conventions, besides the national one in San Francisco. I have also attended at least twenty other days of multi faceted lectures this past year. Each lecture series I have attended has lasted from three to nine hours and I honestly have to say that your lecture was number one among all of those lectures. Many many thanks ”

“ Thank you for your outstanding presentation to our top advisors at our President's Conference in Rome Italy. Our senior executives and attendees were all in agreement that you did an outstanding job, not often do we see a standing ovation for a guest speaker. You are without a doubt one of the best presenters we have had. ”
