

**Dr. Peter Facione** is a principal at Measured Reasons LLC, a Los Angeles based research and consulting firm supporting excellence in strategic thinking and leadership decision making.

In private business Dr. Facione has worked as a strategic consultant with Stratus-Heery International and as managing partner of the California Academic Press. In academia he served as Provost of Loyola University Chicago, Dean of College Arts and Sciences of Santa Clara University and as Dean of the School of Human Development and Community Service at California State University Fullerton.

**Dr. Peter Facione's** consulting work has included long term and short term projects for several branches of the US military, various NGOs and government agencies, professional associations, national labs and over sixty public and private universities and colleges throughout the US and around the world.

His latest book, *THINK\_Critically*, will be published by Pearson Education in January 2010. With Dr. Noreen Facione he coauthored *Thinking and Reasoning in Human Decision Making* in 2007, which addresses human decision making in contexts of risk and uncertainty, offering a cross-disciplinary method for the integrated analysis, evaluation and explanation. Their 2008 book, *Critical Thinking and Clinical Reasoning in the Health Sciences*, is an international teaching anthology.

**Dr. Peter Facione** maintains an active speaking, writing, consulting and research agenda, with well over 150 publications including essays, books, articles, case studies, and educational testing tools. His tools for assessing reasoning are used around the world. These include the California Critical Thinking Skills Test, the California Critical Thinking Di...
