

Hot off a killer run on this season's America's Got Talent (being only comedian to be voted into the semi-finals), **Dan Naturman** is also known to his fans as the "real winner" of NBC's Last Comic Standing 2 a few years back where he was the favorite of celebrity "judges" Drew Carey and Brett Butler. Dan began performing stand-up comedy several years ago in, believe it or not, in law school. After graduation he decided to devote himself to stand-up full time. Comedy, he discovered, was his true passion. Besides, his grades were bad and nobody would hire him. Dan's charming combination of self-deprecation and outright grouchiness has had audiences howling from coast to coast and has earned him four appearances on The Late Show with David Letterman, The Late Late Show with Craig Ferguson, The Tonight Show and Late Night with Conan O'Brien as well as his own "Comedy Central Presents..." Special. More great comedy to follow - that you can be sure of!
