

Best known for his radical form of industrial democracy and corporate re-engineering, former CEO of Semco, **Ricardo Semler** is internationally recognized as a catalyst of change for employee-empowered leadership. As the best-selling author of the classic *Maverick* and *The Seven-Day Weekend*, Semler advocates for leadership to rewrite their corporate narratives to be driven by values of trust, self-management and creativity. For bold innovators, Semler proposes a way to run a workplace that leads to greater productivity and greater flexibility for managers and employees alike. And for business leaders everywhere, he offers fresh alternatives to business as usual that inspire creative solutions to modern management problems.
