

Jim Karol is truly one of the most Unique and Amazing entertainers of our time. His show demonstrates the EXTRAORDINARY POWER of the human mind. Jim has been seen by millions from his numerous appearances on the Tonight Show, the Ellen DeGeneres Show, the Howard Stern Show and NBC's Today Show. His cameo appearance as the "Card Throwing" guy in the movie "Jackass Number Two", shocked people out of their seats. Jim has set Guinness World Records for BOTH physical and mental feats, including throwing a standard playing card "201" feet. Some of his other astonishing feats include knowing more than 80,000 Zip Codes, thousands of digits of Pi, the Scrabble dictionary, Sports Almanacs, hundreds of Science and Medical Journals and thousands of other facts! Karol can tell you the day of the week for EVERY DATE, all the way back to 1 AD and can memorize a shuffled deck of cards in less than a minute! Jim uses his abilities to help professional athletes, business leaders and veterans with memory, focus and emotional intelligence. His new program is called "Jim Karol's Memory Master Course". Jim is also the author of TWO new books. *Beyond Emotional Intelligence* and *51 Ways to Hustle Your Friends*
