

**Dr. Rubin Pillay** stands at the forefront of healthcare innovation as a respected medical futurist and leading specialist in the management of innovation within healthcare. His career, built on the foundation of his medical and business training, is dedicated to tackling some of the industry's most complex problems. Dr. Pillay expertly navigates the nuanced fields of digital healthcare transformation, AI applications in healthcare, and high reliability healthcare, setting benchmarks for innovation in these sectors.

Dr. Pillay serves as Assistant Dean at the University of Alabama at Birmingham School of Medicine, where he also holds the distinguished Marnix E Heersink Professorship in Biomedical Innovation. Furthermore, he is the Chief Innovation Officer at the UAB Health System and the founding Executive Director of the Heersink Institute for Biomedical Innovation. His influence is not limited to academia or his own institution; his thoughts and insights reach far and wide through his role as a best-selling author and globally recognized speaker. His expert consultations have empowered organizations around the globe to embrace and thrive amidst the rapid changes characterizing modern healthcare. Dr. Pillay's unwavering commitment to fostering innovation in healthcare has won him several high-profile awards and recognitions in his field. As he continues to shape the future of healthcare, Dr. Pillay has become an instrumental figure in the ongoing evolution of health systems worldwide, continuously steering them towards a more innovative, reliable, and digitized future.

## Testimonials

"Dr. Pillay gave a terrific closing lecture that was very inspiring (and provocative at the same time). The attendees were passionate about the different examples provided by Dr. Pillay of how technology and current developments in biotech and medtech will deeply impact all the fields related to health."

- e-Health Research 2016 Conference, Paris FR.

"Dr. Pillay was a terrific speaker and a nice person to work with!"

- Health Action Council.
