

Christopher Kai is the founder & CEO of The Mathem Group, a Beverly Hills-based leadership training firm. He is the world's leading authority in story-based leadership, a Fortune 100 global speaker, #1 global bestselling author, and founder of GPS, the premier speaker training program in the world with clients in 100 cities, 24 countries, and 5 continents. He is a former business strategist and executive speechwriter at American Express. Elon Musk once exclaimed during an interview, "Wow, you really know a lot."

His clients include: Google, American Express, New York Life, Merrill Lynch, Farmers Insurance, Bank of America, and the U.S. Consulate. He has authored 5 books and has been featured on CNN, ABC News, Huffington Post, BuzzFeed, Fast Company and Forbes. His main keynotes revolve around why story-based leaders are the most admired innovators in the world because they understand the science and psychology of connection and communication skills.
