Testimonials

“ Phill's knowledge of how to get the best result from a session combined with his commitment and ability to work with our brand, core values and culture is unlike anything I have experienced previously. Phill was able to deliver a new perspective on the project, while still remaining true to the core of the Napoleon Perdis Brand. He is committed to ensuring the change created is long lasting and that our team are equipped and empowered to build on that change. ”

- National Education Leader - Napoleon Perdis.

“ Phill's knowledge is simply outstanding for someone with youth on their side. He didn't just deliver a conventional message about branding and leadership but tailored the conversation with reference points specific to our industry and work, taking the time to really understand our business in order to find the best way to communicate to our salon owners. I can certainly recommend Phill for an engagement with a team at any level. ”
