

Craig Karges is truly extraordinary! The “extraordinist” is an award-winning entertainer, a nationally recognized speaker, and an author. Karges has made over five thousand appearances in 27 countries on four continents and in all fifty states.

Craig Karges combines the art of magic with the science of psychology and the power of intuition to create the impression that nothing is impossible. Tables float, minds are read, metal bends and your imagination is challenged because you won’t believe your eyes! Dennis Miller, comedian and media personality, put it this way after seeing Karges perform, “This weirds me out!”

Audiences may be mystified when it comes to understanding how Craig Karges accomplishes what he does on stage but his popularity is no mystery at all.

Craig Karges has made over 40 national television appearances. You’ve seen him on The Tonight Show as well as CNN, Fox News Channel, CNBC, E! Entertainment Television, Lifetime Television, Wisdom Television, and even SOAPnet! The extraordinist has starred in two, one-hour television specials. The sheer number and diversity of Karges’ television appearances are indicative of his widespread popularity.

Performance, the international touring talent weekly, named Craig Karges’ touring show, Experience the Extraordinary, one of the top five, variety/family shows in North America. Karges was in good company as the list also included the likes of illusionist David Copperfield and Disney on Ice. Testimonials

“What a spell-binding performance you made at our annual conference! Your presentation actively engaged our members and more than lived up to our high expectations. While we anticipated some connection between your theme of opening one’s mind to all that’s possible and ours of ‘be at the top of your game,’ you did a masterful job of ensuring that our audience also made the linkage. Our spontaneous standing ovation when you ended the program said it all - truly an extraordinary demonstration that captured and held everyone’s full attention and stretched their minds.”

- President, Office Furniture Dealers Alliance.

“Thank you for your third OUTSTANDING performance for Bayer. Again you wowed my crowd, engaging their minds for the evening closing. Each time you presented with a dynamic style whether it’s 150 people or 750 people you have exceeded Bayer’s goals. We appreciated the customized element of your presentations when you close with our corporate message. Although I have had the privilege of seeing you 3 times - I am always awestruck. Thank you for making Bayer look good.”

- Executive Manager, Corporate Meetings & Events, Bayer CropScience.
