

After a failed business in 1992, **Darren LaCroix** took a dare and took the stage at an open mic night at a Boston comedy club. He bombed miserably. It was horrible. The headliner that night told him, "Keep your day job kid." Nine years later he outspoke 25,000 contestants and become a World Champion. He is currently the only speaker in the world who is a CSP, an AS, and a World Champion. He shows serious professionals overcome doubt, get breakthroughs and gain momentum. Darren also helps executives have more influence in less time with his program, Better Stories, Better Business.

He's the author of 17 Minutes to Your Dream and the co-author of Deliver Unforgettable Presentations. Through his live workshops and Stage Time University.com, he helps good presenters become UNFORGETTABLE.

- President - CEO Molly Maid.

You were a big hit. The composite results from each participants' evaluation form, which covered every session and speaker scheduled over the three day conference, confirmed your presentation as the best. I highly recommend you to anyone considering you a speaker.
