

Harvey Mackay is the author of the New York Times #1 bestsellers *Swim With The Sharks Without Being Eaten Alive* and *Beware the Naked Man Who Offers You His Shirt*. Both books are among the top 15 inspirational business books of all time, according to the New York Times. In total, Harvey's books have sold 10 million copies worldwide, been translated into 37 languages and sold in 80 countries. Harvey is a nationally syndicated columnist for United Feature Syndicate, whose weekly articles appear in 52 newspapers around the country, including the Chicago Sun Times, Rocky Mountain News, Orange County Register, Minneapolis Star Tribune and Arizona Republic.

He also is one of America's most popular and entertaining business speakers. Toastmasters International named him one of the top five speakers in the world. At age 26, he purchased a small, failing envelope company in 1959 which has grown to a \$100 million business employing over 600 people. MackayMitchell Envelope Company is one of the nation's major envelope manufacturers, producing 25 million envelopes a day. As chairman, Harvey's philosophy is engrained in the company, beginning with its motto: Do what you love, love what you do and deliver more than you promise.

Harvey is a graduate of the University of Minnesota and the Stanford University Graduate School of Business Executive Program. He is an avid runner and marathoner, and former #1 ranked tennis player in Minnesota.

He currently sits on the board of the Minnesota Orchestra and is a former director on Robert Redford's Sundance Institute and the University of Minnesota Carlson School of Management. He has been a guest lecturer at various universities and business schools, including Harvard, Stanford, Michigan, Corne...

Testimonials

"I've produced more than 10,000 seminars. You're the best in the business-the Joe DiMaggio of speaking. End of story."

- The Learning Annex.

"Outstanding," "terrific" and "encore" were just a few of the comments made-you crafted a personal message to our clients and it came across loud and clear."

- IBM.
