

Once in a long while, a speaker comes along whom you simply must hear. A master weaver of humor and substance, **Jack McCall**, brings to the platform a rare combination of energy, insight and approachability. In each presentation, Jack takes his audience on a journey of discovery and re-discovery. Whether he is addressing the issue of a changing world and workplace, the risk and rewards of personal development or the magic of motivation, Jack showcases results-producing techniques, captivating stories and tasteful humor in every presentation.

Motivational speaker Jack McCall presents over 100 speeches and seminars annually to Fortune 500 companies, small to mid-size companies, non-profit organizations, associations, churches, universities and schools.

Audiences appreciate his unique ability to translate proven business concepts into user-friendly tools and ideas that can easily be applied to the workplace and everyday life.
