

Dr. Isabel Perry is a highly motivated professional with a unique combination of experiences as a corporate executive, entrepreneur, author and speaker. She is an effective communicator who has the expertise and natural ability to bring real life solutions to her audiences worldwide.

Dr. Perry climbed the corporate ladder in a Fortune 50 company and broke the glass ceiling. While working with all levels of the organization she led teams in international operations these teams were inspired to excellence and won international awards for their performance and contributions to the corporation. Dr. Perry shares her successes and expertise by speaking on the following topics: executive and management development, team building and interpersonal skills, effective communication, coaching and counseling for high performance, culture change and managing transitions in the workplace. In addition, her technical expertise is in OSHA (safety) compliance and management.

Her ambition and hard work began at the age of 21 when she established and operated a residential construction business for 13 years. Later in life her entrepreneurial skills blossomed again when she established a joint venture in Quindao, China manufacturing ice cream. Her enthusiasm continued as she built a successful e-commerce site being a direct importer of international goods fulfilled her love of travel and working with people of different cultures.

After 25 years of expansive responsibilities Dr. Perry combines the knowledge and skills necessary to succeed and is currently a much sought after consultant, speaker and trainer. Employees in manufacturing industries, hospitals and health care, government agencies and service industries have all benefited from Dr. Perry's...
