## Testimonials

“Nido’s presentation exceeded my expectations. The message was very uplifting, so I’m hoping this will encourage our salespeople to set goals outside of work, which will spur on success in the workplace. He was a huge success with our audience and I’ve received nothing but positive responses.”

“I’m not sure what more to say beyond “thanks,” because anything more verbose that I might try to say will pale when compared to the elegance with which you inspired us today. This was the second time that I saw you at CURT and you really impacted me with your message of “becoming significant” and focusing on the fundamentals in life and business. Your story is amazing. My children are now 7 and 5, but they will both be college bound at some point, and I will strongly encourage them to High Point University. Based on your inspiration and my perusal of HPU’s website, I will seriously consider HPU when the time comes. I’m sure by then; you’ll have the top ranked school in the U.S.”
