

Jon Stetson is America's most Amazing Mentalist. Mind Reading has never been this much fun! I Know what you're Thinking. No, Really, I Do.

Jon Stetson is the one entertainer/speaker in America who truly understands the meaning and importance of capturing the mindshare and heart share of your audience. The Stetson Experience is Intelligent, Interactive, and Fun!

Over the past 25 Years President Bush, President Carter, The King of Sweden, The Royal Family of Monaco, Donald Trump, Bob Kraft & The New England Patriots, Fortune 1000 organizations, associations and celebrity audiences have experienced Jon Stetson worldwide. As well as, Television appearances on CBS, NBC, PBS and the A&E Network.

Corporate America's most unique entertainment experience is almost impossible to describe...

Mind Reading has never been this much fun! Jon Stetson injects uproariously funny situation comedy into his performance, thus creating hilarity that never fails to please an audience. Jon observes people's patterns and steps inside their heads. He knows what you're thinking, he really does. The results are Amazing, Motivational, Inspirational, and Hilarious.

Testimonials

“We can't decide what it is you do best. Some say you're a great mind reader. Some say you're a great comedian and others say you're an incredible entertainer. What I do know for certain is that you amazed and entertained us completely and we are a tough crowd to please.”

- New York Life.

“Jon Stetson is amazing in more ways than one. He's always been right on the mark—for a variety of clients. His work is fascinating, his humor has just the right touch, and his professionalism is world-class. If the stock market were as dependable as Jon Stetson, we'd all be millionaires. At least in the corporate events world we have the reliable Jon Stetson. He'll do a great job for you, and that you can take to the bank!”

- The George P. Johnson Company.
