

Once called a cross between The Office and the funniest YouTube parody video you ever saw, **The Water Coolers** is a singing comedy act that uses top NY talent to answer the question “does this stuff happen to anyone else?” Conceived and created by Tom and Sally Allen to combine their skills, The Water Coolers made their New York club debut in 2000 and followed that two years later with a smash engagement Off-Broadway, produced by one of the producers of HAIRSPRAY, SPAMALOT, and THE PRODUCERS. The Water Coolers received two Spotlight Awards for Entertainment of the Year, making them one of only 3 acts to be awarded this honor twice. In addition to a packed special events schedule, they have toured their constantly updated act at performing arts centers around the U.S. and spots as far reaching as Singapore. We make people laugh about work and luckily, the ever-evolving world of work is a steady source of comedy. To book The Water Coolers call Executive Speakers Bureau at 901-754-9404.
