

MICHELLE STACY

AV REQUIREMENTS

Computer, Projector, and Screen

Michelle will submit to your AV team a Dropbox containing her PowerPoint presentation. The presentation does contain video but does not require sound. She also requires a laptop and projector, as well as a wireless clicker to use.

Microphone and Audio

Michelle prefers a wireless lavalier microphone connected to a high-quality audio system.

Additional Information

Michelle walks the stage during her presentation but does prefer a podium/table for notes.

A bottle of water while on stage is appreciated.
