

Through a combination of coaching, consulting, and training, **Eric Boles** helps organizations collapse time achieve goals quickly and function within their purpose and values. The results organizations experience are real and powerful. He helps organizations such as Dunkin' Brands, Aviva, Starbucks, Alaska Airlines, PricewaterhouseCoopers and others take leaps towards reaching their organizational goals with company wide support and enthusiasm. Eric Boles is also a highly acclaimed keynote speaker for some of the most recognized and respected organizations in the world. Eric presents his inspiring and challenging insights and strategies to thousands of leaders each year. His expertise on Leadership, Culture Change, Team Dynamics, and Peak Performance has been shared with clients such as Lululemon, Meta Facebook, USAA, U.S. Air Force, Bridgestone, FedEx, Harris Teeter, GlaxoSmithKline, Lockheed Martin, Mayo Clinic, and Bank of America. Eric speaks to a variety of education, government, healthcare, manufacturing, and financial services organizations and associations.

Prior to becoming a high performance authority, Eric Boles learned many principles of team dynamics and leadership from his experience playing in the National Football League. He was coached and mentored by some of the finest coaches and players in the league. Eric is an avid sports fan, golfer, and reader. He and his wife Cindy have 2 daughters, Taylor and Madison.

Testimonials

“You stole the show! Our people were completely engaged from beginning to end with your timely message. The content was right on target while providing the perfect combination of education and inspiration. We could not have been more pleased.”

- Executive Vice President - Alaska Airlines.

“You did an “AMAZING” job! The halls were buzzing afterwards and you were spot on with your entire message. Your presentation on “Moving to Great” was just what our organization needed.”

- Training Director - Hasbro Toys.
